ADVISER PART B**SCHEDULE OF FEES TO AUSTRALIAN INVESTMENT EXCHANGE LIMITED****Brokerage**

Our primary source of income is from the brokerage paid on transactions made through your Australian Financial Service Licensee (Adviser) and other Companies when using our services. These can generally range from 0.11% (brokerage on Equities and Warrants) to 0.55% (brokerage on Exchange Traded Options). Remaining charges over and above our minimum brokerage will be paid to your Adviser and attributed to any additional advice fees and/or service fees charged to you by your Adviser (where applicable). Refer to your Adviser for further details.

Unless otherwise indicated, where a fee or charge is expressed as a percentage, it refers to a percentage of the transaction value. For GST rounding reasons, the final brokerage fee may result in a slight variance from the stated or expected charge, which may exceed two cents for large trades.

Warrants

Before investing in warrants, you should read the PDS specific to that warrant and associated ASX documentation.

Conditional Orders

A Conditional Order is an instruction to monitor a security for a set of predefined criteria. Once the criteria have been met an order is submitted to the market.

We charge your Australian Financial Service licensee on the purchase and sale of executed transactions made on your account. We will deduct any government charges from the proceeds of a sale or add applicable government charges to the purchase price of orders you make.

Margin Lending

We may receive referral fees from time to time from Margin Lending providers. These will vary depending on the provider and the amount you have invested through us and will generally be between 0.25% and 3% of Margin Lending loan balances.

Cash Management

Cash management, money market and fixed interest products charge a variety of fees and varying rates of interest, which will be disclosed in any PDS provided. These may range from between 0.25% to 3% of account balances held with the product provider.

Trust Account

We are required to maintain a trust account on your behalf to hold funds that are used for your share trading account. We will retain any interest that may be earned on this account.

Initial Public Offerings

We may receive upfront fees, volume bonuses, other incentives and ongoing fees from time to time by making available initial public offerings. These fees will vary depending on the offering at the time. More details about each offering will be located on the appropriate prospectus.

Other product offerings resulting in an ongoing fee

In some cases we may refer you to a product provider whose product may complement ours. In these instances we may receive a fee or other fee for service ranging from 0.25% to 3%, depending on the nature and amount of business being referred. Further information about each product is shown in the appropriate PDS.

If we have referred you to a third party who has a vested interest in maintaining an ongoing relationship with you, a fee may be paid. If a third party refers you to us, we may earn a fee.

If you are referred to us by another approved party, we may share with them our fees, or pay them a fee for each trade you place that uses our services. These may vary depending on the nature of the agreement, the products being offered, and the extent of business you have with us that is being referred.

Typically, a fee may be in the form of rebates on the trades you make, or a percentage of your portfolio or account balance.

Your transaction instruction details may be provided by your Australian Financial Services licensee adviser over the telephone or through electronic means. If we receive your instructions by telephone, your transaction will be governed by our standard telephone Terms and Conditions.
